## THE PRESIDENT'S MUSING'S

I'd like to take this moment to thank all our wonderful parents, players and siblings for all the help you've been giving over the last few weeks.

I know we say it a lot and I'm sure you are all tired of hearing it, but our club really does run on the time and commitment of our volunteers.

There's that old saying that many hands make light work, and it really is true. It is a lot easier for a lot of people to do a small job each than a handful of people to do it all. If each team can have their volunteers ready to go for game day, the day will run a lot smoother for everybody, and most of you have been doing that, so thank you.

A special thank you must go to Fiona in the Uniform Shop who in her first year at the Club has volunteered to run the Uniform Shop and has done so successfully every Wednesday night training, Friday night Superstars and Super 8's, and at Modified home games. Thanks Fiona for all your hard work, it's great to have your friendly face around the Club.

The Canteen is one of our favourite assets at the Club. It feeds our families at an affordable price and takes the pressure off our parents ensuring they don't have to pack a dinner or lunch when they come along to play. I'd like to welcome Kristen to the Canteen as our Convenor. Kristen comes with a background in cafés and restaurants and a friendly personality. It's great to have you on board Kristen.

Don't forget that the Juniors don't play games over the school holidays. Our last games are this weekend (23rd - 25th June) before a two week break to then resume 14th - 16th July). It is up to each team if they choose to train over the holidays or not, so please see your Coach for further information on school holiday training.

It's been a challenging, but good first half of the season, let's make this next half amazing!

Love your Club!

*Wayne Hely*

## Coach's Growl

### Under 11 White

#### Broadbeach v Palm Beach Currumbin

**Goals:** 1 C Bryan, 1 J Kennedy

**Best Players:** M. Leskiw, P Lynch, H. Clements-Kupsch, M. Dawson

Friday night under lights at Salk Oval and the conditions were not really ideal for the high scoring fast style of footy that the cats are trying to establish as their trademark. This was more of a high pressure, bash and crash, get it forward any way you can type of night. Thankfully this is what the cats turned up to play. Despite the low scoring nature of the game possession was dominated by the young cats and had they kicked straighter the margin would have been much greater. This was an excellent team effort where every player contributed in some form when necessary. Some standouts were Matthew Leskiw who led from the front in the ruck providing plenty of go forward. Hunter, captain for the night, busted packs and provided physical support for other players. Micah Dawson who was consistent as always and made some crucial intercept marks late in the game and Patrick Lynch who again saved some of his best work for the game against his old club, his work in the middle of the ground early in the ground provided a platform for others to work from. Another W in the results column for the U11 whites and another step in the progression and improvement of the team. The focus now needs to be on continuing to work hard at training and making continued improvements as individuals and a team. Great win boys keep up the good work.

### Superstars!

Some of our Superstars got their first taste of competition footy on Saturday 10th June at Ormeau. While they are still learning the basic skills and how to play the game, they sure did give it a real good go! A lot of fun was had!

Youth teams are reminded that they are required to supply the following volunteers for each home game:

- Ground Marshall
- Timekeeper
- Goal Umpire
- Boundary Umpire
- Water Carriers
- Runners
- BBQ Helpers

Modified Teams are required to supply the following volunteers for each home game:

- Ground Marshall
- Timekeeper
- Goal Umpire
- Set Up/Pack Up
- BBQ Helpers

We can't run games without these roles filled.

All volunteers need to be arranged prior to game day and need to be ready to go at least 10 minutes before the required time.

Failure to supply these volunteers may result in your team having to forfeit, which nobody wants to have happen.

We are a big club and rely on volunteers to get us through each game.
